I think Bobby will be attending the AFE and working on getting funding from his Village Corporation to cover travel costs. I mentioned to him that you might be calling about the Wednesday TEK session and that I had also provided names of other potential presenters. I needed to call him anyway to see if I should add his name to the Nushagak River session during the forum. I also passed along the speaker registration reduced fee of \$225.

Bobby has a new email which you may not have:

Bobby Andrew

Hm phone: Ex. 6 PII

Cell: Ex. 6 PII

Email: Ex. 6 PII, Bobby Andrew

The documents in the emails I sent a while ago rather large. Let me know if you received all of them (I sent as separate emails):

Nushagak River Watershed TUACP (7MB)

Beyond IGAP workbook (4MB)

Environmental Program Newsletter (5MB)

Enjoyed our conversation and exchange of information!
